Will Keating

The children thoroughly enjoyed their workshops with Will this morning and are looking forward to performing with him on 3rd March at the Hall for Cornwall.

The 'Virtues Project'

The 'Virtues Project' helps us all to develop good character qualities such as kindness, honesty and creativity in our children. Every two weeks we will focus on a virtue which is introduced at the start of the two weeks at Monday's assembly. This time we have been focussing on "Honesty".

During this time, everyone will look to identify pupils in each class who are demonstrating this virtue.

The children who have been identified this time are:

- Barn Owls: Lewis
- Hawk Owls: Dominic
- Eagle Owls: Harry

Pasties were taken down the mines by the adults and children who worked there; the shape and size made them ideal for carrying; it's distinctive D shape with the crust acting as a handle, which was discarded to prevent contaminating the food with grubby, possibly arsenic-ridden hands.

All Proper Cornish we are passionate about quality pasty, filled with great tasting ingredients, made properly in Cornwall for people who love food.

We are passionate and honest about where our ingredients come from. At Proper Cornish, we believe in supporting our local farmers. Our swedes come from Hayle, courtesy of Trevor Gokkeworth's family, an farm, our potatoes come from third generation farmer Chris Dablow from Par and our onions are grown by Anthony West of Toppoint. Cornwall grows some of the highest quality produce in the world, so why go anywhere else?

A reminder to all parents please:

If your child has **any** vomiting and/or diarrhoea, with or without illness, it is important that they stay away from school for 48hrs following the last episode. This helps to reduce the risk of any illness spreading to other children and adults.

If you are unsure, or have any questions, please contact the school for advice.
