## LYTHER NOWODHOW

### Headteacher Message

I would like to begin by congratulating all of our children who have taken part in their phonics and times tables screening checks this week. We are incredibly proud of the effort, determination and resilience they have shown, and we know they approached these assessments with their usual positivity.

I would also like to apologise for the cancellation of our Sports Day this week. While we were all looking forward to the event, the decision was made with the safety and wellbeing of our children in mind, and given the weather conditions, it was definitely the right call. Thank you for your understanding and support. A reminder that our rearranged Sports Day will now take place on Thursday 9th July at 1:30pm, and we look forward to welcoming you then. The community café will be open for refreshments as normal on this date.

Thank you to everyone who has already shared photographs and memorabilia as part of our upcoming 150th anniversary celebrations. It has been wonderful to see these pieces of our school's history. If you are aware of anyone in the community who has attended or worked at the school in the past, we would be delighted to hear from them, so please do encourage them to get in touch.

Thank you, as always, for your continued support.

Oll an gwella/All the best,

Mr Sturges

# BARN OWLS

KOWANNOW GWYNN

Dear Parents and Carers,

It has been another busy and exciting week in Barn Owls.

On Tuesday afternoon, the children enjoyed a wonderful taster swimming session at Helston. They were fantastic, showing great enthusiasm, confidence and excellent behaviour throughout. It was lovely to see how much fun they had in the water!

In Maths, our Year 1 children have been continuing to develop their understanding of time, learning how to read a clock more confidently. Meanwhile, Reception have been working hard on their shape and number skills, building a strong foundation through practical and engaging activities.

In English, the children have been busy planning and creating their own characters, which they will soon use to write their very own stories. We are really looking forward to seeing their imaginative ideas come to life! In Science, we have been learning about animals and how to classify them based on what they eat. The children explored terms such as carnivore, herbivore and omnivore and enjoyed sorting different animals into the correct groups.

Despite the rainy weather, we still embraced the outdoors during Welly Wednesday! The children showed great resilience and had lots of fun exploring and learning outside.

In PSHE, we introduced the concept of democracy. The children took part in a class vote to choose a Thursday treat, and the winning choice was a class disco. What a great way to celebrate their voice and choices!

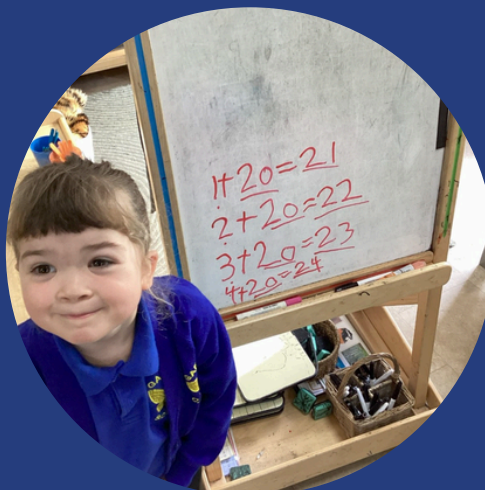

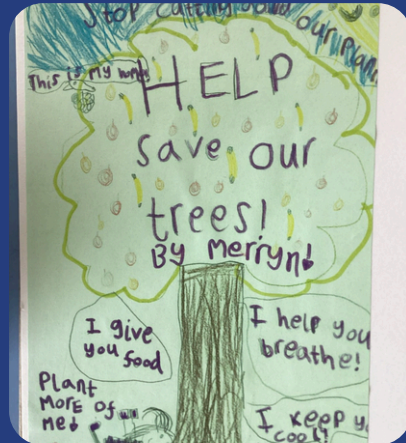

We have also started a new art unit called 'Woven Wonders', where the children have been practising wrapping, plaiting and weaving skills. They have shown great creativity and focus in this hands-on topic.

Finally, the children have all done themselves proud in phonics this week. Their confidence and progress continue to shine. Well done everyone!

Thank you for your ongoing support. We hope you have a lovely weekend.

Kind regards,

Barn Owls Team 😊

We finished off Sustainability Week in style this week by designing our very own vehicles of the future. We have been absolutely blown away by the creativity and imagination the children have shown! From safe family cars and tractors to high-speed F1 cars, every design was cleverly adapted to be more environmentally friendly. Your child should have brought their design home, and if they would like to, they are very welcome to create a model at home to bring in and share with the class. Further details are attached to their design sheet, and models can be brought into school up until the end of term.

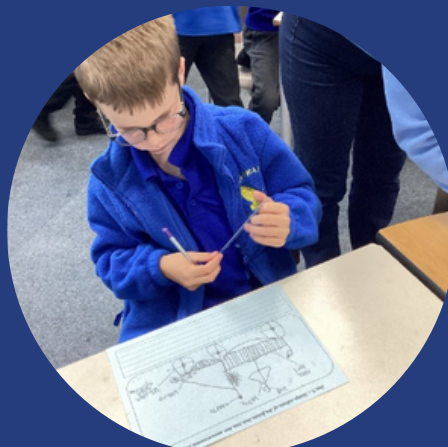

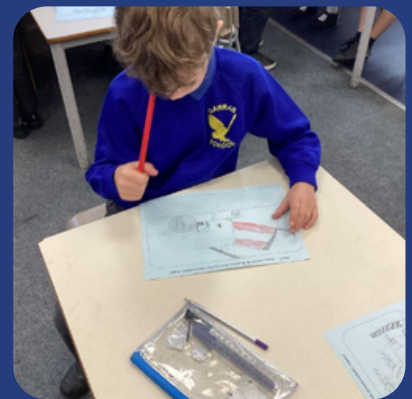

To round off the week, the children also created persuasive posters to encourage people to buy their vehicle. It has been fantastic to see such enthusiasm and pride in their work—well done, everyone!

In Literacy, we have continued writing our imaginative guidebooks on how to care for a cloud. The children have thoroughly enjoyed this unit and are producing some wonderfully creative pieces.

In Maths, we are learning about money, focusing on writing amounts in decimals, as well as converting and comparing different values. If you are out and about over the next few weeks, a great way to support learning would be to encourage your child to count coins and convert amounts in real-life situations.

We have also begun our new Art unit, Painting and Mixed Media: Life in Colour, exploring colour mixing—which has been great fun! Alongside this, we have started our new History unit, How Did We Learn to Fly?, beginning with the Wright Brothers. The children are already really engaged and excited, and can't wait to learn more!

Thank you, as always, for your continued support.

# EAGLE OWLS

Kowannow Er

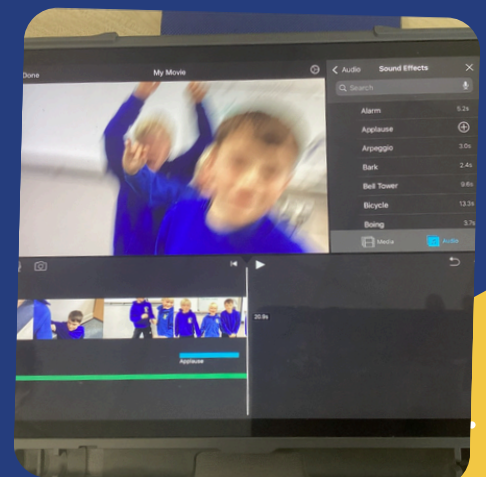

We have made a fantastic start to our new Literacy unit, Shackleton's Journey. The children have been captivated by the book's incredible illustrations and have enjoyed immersing themselves in the story. We have put ourselves in the sailors' shoes, imagining what it would have felt like to set sail on such a challenging expedition to Antarctica and discussing the emotions and hardships they may have experienced.

This links closely to our new Geography unit: Who Lives in Antarctica? We began by refreshing our knowledge of lines of latitude and longitude before applying these skills to locate places in an atlas using coordinate references. The children showed excellent geographical understanding and map-reading skills.

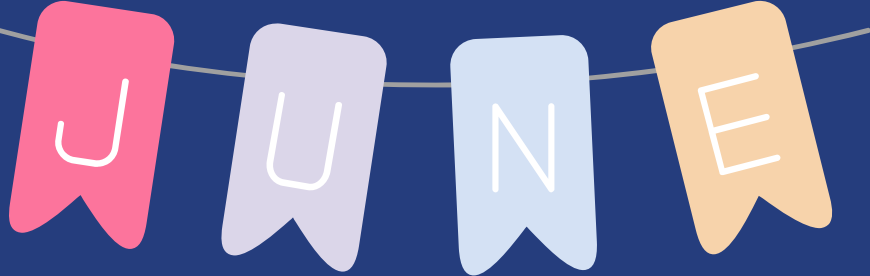

Our new Computing unit has also captured everyone's imagination. The children are learning how to create and edit videos using a wide range of digital tools and techniques. There has been great enthusiasm and creativity already, and our aim is to upload the finished projects to Google Classroom—so watch this space!

Looking ahead, Group 1 Open Water Swimming is due to take place next week. As outlined in the letter, this will be dependent on weather and tide conditions, but we are hoping to head to Coverack for what promises to be an exciting experience.

Another brilliant week of learning and exploration—well done, Eagle Owls! 🦉

# How to Set up PARENTAL CONTROLS for APPS iPhone

Apple devices come with built-in apps already available: Mail, FaceTime and Safari, for example. However, you can choose which apps and Features appear on your child's device and which ones don't. You can also manipulate the features in Game Centre to enhance your child's safety and privacy when playing games, as well as blocking iTunes or App Store purchases if you wish.

## How to Restrict Built-in Apps/Features

- 1 Open Settings
- 2 Tap Screen Time
- 3 Tap Content & Privacy Restrictions
- 4 Tap Allowed Apps (you may need to toggle this to 'on' at the top)
- 5 Enable or disable the apps you wish to appear (or disappear) on your child's device

## How to Restrict Game Centre

- 1 Open Settings
- 2 Tap Screen Time
- 3 Tap Content & Privacy Restrictions
- 4 Tap Content Restrictions (you may need to switch the toggle at the top to the 'on' position)
- 5 Scroll down to Game Centre
- 6 Choose between Allow, Don't Allow, or Allow with Friends Only in the settings for each feature

## How to Restrict iTunes & App Store Purchases

- 1 Open Settings
- 2 Tap Screen Time
- 3 Tap Content & Privacy Restrictions
- 4 Tap iTunes & App Store Purchases
- 5 Select Allow or Don't Allow for each feature (you can also lock these settings with a password)

## Summer = PLAY

Build around a spectacular new painted floor mural packed with games for all ages, our 2026 season Coronation Park with a summer of play. From making a theme park to colouring at our picnic, from the Big Cornwall Games Expo to unconnected games, comedy, the park just got seriously colourful!
